PROFESSIONAL SUMMARY

Detail-oriented M.Sc. Data Science student with strong analytical, documentation, and problem-solving skills. Proficient in Microsoft Excel, MS Office, SQL, and Python with hands-on experience in data validation, reporting, documentation, and data analysis. Strong communicator with excellent attention to detail, organizational skills, and the ability to collaborate effectively in team environments.

EDUCATION

GITAM University, Hyderabad

M.Sc. Data Science | 2024 – 2026

- Percentage: **75%**
- Relevant Coursework: Data Analytics, DBMS, Big Data Analytics, Statistics, Machine Learning

Pragathi Degree College, Hyderabad

B.Sc. Data Science | 2020 – 2023

- Graduated with **79%**

EXPERIENCE

Indian Statistical Institute (ISI), Hyderabad

Data Science Intern | May 2025 – June 2025

- Prepared, validated, and organized research datasets using Microsoft Excel.
- Consolidated data from multiple sources and maintained accurate records.
- Performed data quality checks to ensure consistency and reporting accuracy.
- Created reports, documentation, and project summaries using MS Word and PowerPoint.
- Supported data analysis activities using Python and SQL.
- Collaborated with mentors to provide project updates and maintain documentation.

PROJECTS

Excel Sales Dashboard & MIS Reporting

- Developed an interactive Excel dashboard using Pivot Tables, Charts, and Conditional Formatting.
- Automated reports using Excel formulas and prepared weekly/monthly MIS reports.
- Performed data validation and generated business performance summaries.

SQL Business Operations Analysis

- Analyzed operational datasets using SQL.
- Built reports using JOINS, GROUP BY, Aggregate Functions, and Window Functions.
- Generated insights to support business decisions.

Data Cleaning & Reporting Automation

- Cleaned and standardized datasets using Python and Excel.
- Automated repetitive data preparation tasks and created structured reports.
- Documented workflows to improve consistency and efficiency.

TECHNICAL SKILLS

Microsoft Office: Excel, Word, PowerPoint

Excel: Pivot Tables, Conditional Formatting, Data Validation, Sorting & Filtering, IF, SUMIF, COUNTIF, VLOOKUP, Basic Charts

Programming: Python, SQL, MySQL, C++

Data Analysis: Pandas, NumPy, Data Cleaning, Data Validation, Report Preparation

Tools: Git, GitHub, Jupyter Notebook, VS Code

SOFT SKILLS

- Analytical Thinking
- Attention to Detail
- Communication
- Team Collaboration
- Documentation
- Time Management
- Problem Solving
- Adaptability

CERTIFICATIONS

- Machine Learning and Statistical Concepts – Indian Statistical Institute
- Databases and SQL for Data Science with Python – Coursera
- ChatGPT for Beginners – Coursera
- National Workshop on Large Language Models – GITAM University
